

Push-in PCB connector Type XW4M/N

New

Features

Improving workability

Quick and easy disconnecting by original engaging structure

Improving productivity

Adopting reflow mounting by through-hole reflow soldering

Wide lineup

Capable of choosing suitable connectors from various lineup

Product Image

	1 line type		2 lines type	
Socket				
Plug	Vertical	Horizontal	Vertical	Horizontal

	Number of pins
1 line type	2,3,4,5,6,7,8,9,10,11,12,13,14,15,16,17,18,20
2 lines type	4,6,8,10,12,14,16,18,20,22,24,26,28,30,32,34,36,40

Application

Factory automation equipment
Various machine tool

Robot Controller

Servo driver

Machine tool
